

**Illinois Nonprofit Security Grant Program  
ILLINOIS STATE HISTORIC PRESERVATION OFFICE (SHPO) REVIEW FORM**

Grant Program:
Grant award amount:
Name of organization:
Point of contact (POC):
POC email:
POC phone:
POC street address:
Project location (county, street address, municipality):
Detailed project information, including <b>description</b> and <b>location</b> of all upgrades/physical security enhancements, both <b>interior</b> and <b>exterior</b> , and any <b>ground-disturbing activity</b> (e.g., fencing, bollards, etc.):
Will project affect any doors or windows? If so, please describe and attach images.
Will any exterior equipment be mounted on historic stone, brick or wood? If so, will the equipment be mounted on easily repairable mortar joints and not on the masonry?
Will all interior equipment be installed on easily repairable plain plaster or drywall walls, with no exposed wiring or conduit? (Note: exposed wiring/conduit and mounting new equipment on stone, brick, wood or decorative plaster finishes are not recommended.)
If ground-disturbing activity is taking place, what is the current condition of the ground (e.g., sidewalk, parking lot)?
Year of building's original construction:

Any known historical information or architectural significance of project site:

Please attach:

- Aerial map of project location with any ground disturbance indicated
- Color photos of all building exterior(s) in project area
- Interior and exterior photos indicating all areas affected by project and equipment being replaced/installed
- Product brochures/images of new windows/doors if replacement is planned
- Any available architectural or engineering plans/specifications
- Any previous environmental or historic preservation reviews, including screening forms, approval letters, etc.
