

ATTACHMENT A
SECOND NOTICE CHANGES

Agency: Illinois Emergency Management Agency

Rulemaking: 32 Ill. Adm. Code 320; 48 Ill. Reg. 14073

Changes:

1. In line 61, change “has occurred” to “can occur”
2. In line 64, change “spectroscopy” to “spectroscopic radiation machines”
3. In line 253, change “Radiation machines provided for temporary use (e.g. demonstration or to replace out-of-service equipment) and notification is provided in accordance with Section 320.10(b)(1)(C).” to “Radiation machines provided for demonstration use or to replace out of service equipment during the out of service period. Notification in accordance with subsection 320.10(b)(1)(C) shall be provided to the Agency for the exemption.”
