

Setting up Alternate Housing

2 Determine roles, responsibilities, and reporting structure

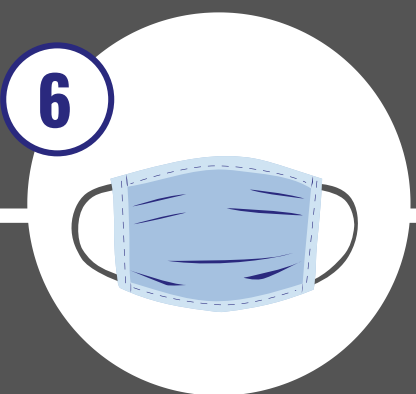

1 Identify partners such as EMA, LHD, DHS Office, City Officials, and Community Action Agency

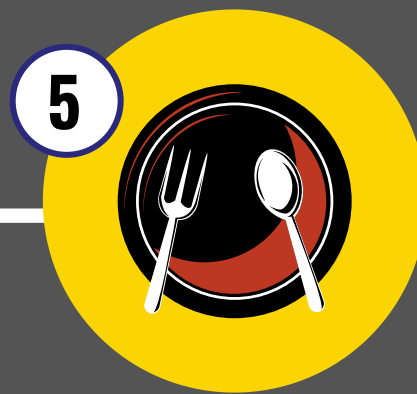

3 Establish screening process; determine eligibility requirements (Lead: LHD)

4 Identify and secure alternate housing location(s)

6 Plan for additional health and safety needs such as PPE requirements, signage, and social distancing measures

5 Identify, plan for, and secure wrap around services such as food, security, and laundry

7 Establish process for tracking usage, funding, goods, and services; determine maintenance requirements

Ready for Activation!
